

OHGS Rotor Breeze Harness Order Form

Rotor Harness - Breeze Basic \$1350 plus \$120 shipping to Oregon (no taxes) extra domestic shipping and bank transfer fees

I recommend getting a carabiner and parachute for a complete functional harness.
Wear clothes assuming that it will be 50 F degrees with windchill and wear shoes. Place your feet together. Get a person to measure you. Double check the measurements. Number two does not follow the curve of the body.

Total height (cm): _____

1. **From top of head to floor with flying shoes** _____
2. **Straight line shoulder height (cm) (one finger away the neck)** _____
3. **Chest circumference (cm):** _____
4. **Abdominal circumference (cm):** _____
5. **Hips circumference at widest (cm):** _____
6. **Knees circumference (cm):** _____
7. **Shoe size (US)** _____
8. **Weight (kg):** _____
9. **Type of shoes:** Light hiking runners farmer rubber boots
11. **Parachute container location** (choose the side of the parachute container. Right if you are right handed, Left if you are left-handed)

Select an option

Left side Right side Both sides

12. **Parachute Brand** Bauica Sport
